

International Conference on Standardization and Metrology

Author Guidelines

1. Papers submitted must be original work and should not have been previously published or presented at another meeting.
2. Papers should be written in English (US).
3. For both primary and co-authors, credentials along with their full names and email addresses must be included. If co-authors are from different institutions, the secondary institution(s) and the institution investigators are associate with must be listed.
4. Papers topic should conform to the scope of the conference/symposium.
